Bartenders on campus will serve alcohol only to those who have wristbands.

EXTREME WEATHER AND RAIN PLANS

An Extreme Weather Location for outdoor events will be used only in the event of extraordinary weather such as lightning or exceptionally high winds; tented events will remain outdoors in the event of seasonable rain, wind, and temperatures. The decision to enact an Extreme Weather or Rain Plan will be communicated with attendees directly to the email address used to register for the weekend and with signage around campus.

Please be advised that photographs and video will be taken throughout the weekend for use on Trinity's website, on social media, in College publications, and in other media. ***By attending this event, you and your guests consent to the College photographing or videotaping you and your families, including children, and using these images without additional permission from you.***
