

Trinity College Office of Diversity, Equity, and Inclusion

Welcome to Trinity! We are excited to have you become a member of our community!

Trinity's mission is to prepare students to be bold, independent thinkers who lead transformative lives. An essential component of your experience at Trinity will be the opportunity to meet, get to know, and establish lifelong relationships with people from all over the world. It's our responsibility to provide you with a range of opportunities to enhance your ability to interact and communicate effectively in these new relationships.

[The Office of Diversity, Equity, and Inclusion](#) helps to support this mission in many ways. One of the most important is by partnering with students, student organizations, faculty, and staff from across campus to support hundreds of impactful and exciting programs each year. We work collaboratively with all of our campus partners to ensure that all members of the Trinity College community feel included and have the resources and support they need to thrive.

The Office of Diversity, Equity, and Inclusion is composed of the [Office of Multicultural Affairs](#), the [Queer Resource Center](#), the [Women and Gender Resource Action Center](#) (WGRAC), the [Office of Title IX](#), and DEI Campus and Community Engagement. The [Student Emergency and Equity Fund](#) is also administered within the Office of Diversity, Equity, and Inclusion.

Please don't hesitate to reach out to any of us with any questions as you are preparing to begin your journey as a Trinity Bantam!

Sincerely,
Dr. Anita Davis
